Project Report Format

B. Tech. (8th Semester CE/IT/CE-AI/CSBS)

(w. e. f. March 2025)

Note: Student has to follow the following instructions

1. Prepare cover page (Hard binding cover) same as title page and it must be embossing in Gold**.**
2. **Title Page** (As per the attached file)
3. **Certificate from the Internal Guide** and **HOD** (As per the attached file) **Note: -** Mention the Exam date **DD/MM/YYYY** in Certificate.
4. Certificate from the company (**COLOR COPY**)
5. **Acknowledgements:** generally, to your guide(s), various help received, discussions held, etc. Remember that we stand on the shoulders of many people; here is an opportunity to thanks them. (No page number)
6. **Abstract** (Problem Definition – It must be single page only) (**More than 400 words**) (page number in Roman)
7. **Index** (Page number in Roman)
8. **List of Figures** (Page number in Roman)
9. **List of Tables** (Page number in Roman)
10. **Introduction** (Page number in Numeric and start from 1 to at the end of report)
11. **Project Scope**
12. **Feasibility Analysis**
    - Technical feasibility
    - Time schedule feasibility
    - Operational feasibility
    - Implementation feasibility
    - Economic feasibility
13. **Software and Hardware requirement**
    - Minimum hardware and Software (Tools & Technology) required or assumed.
14. **Process Model**
15. **Project Plan**
    - List of major activities and estimated time duration in weeks.
16. **System Design**
    - Use case diagrams, Class diagram, Sequence diagram, Activity diagram.
    - List of tables, Table design, Data dictionary
    - Design strategy, e.g. 2-tier, 3-tier, etc
    - DFD (context level to maximum up to 2 levels)
    - User interface (forms, report layout, navigation) design
17. **Implementation Details**
    - Algorithm and Flowchart of Implementation
    - Actual Program Code (if allow/available)
18. **Testing**
    - Test cases and test results/Testing Model used.
19. **User manual**
    - Installation steps (Used Software/Project/deployment steps of System)
    - Snapshots/Screenshots with explanation
20. **Conclusion and Future work**
21. **Annexure**
    - Glossary of terms and abbreviations
    - References
        - Example (For your information only):
            - Book: - Authors, “Title”, (year), Publisher / publication, Price (if available)
            - Proper Website link (Don’t mention like google.com and Wikipedia.com)

- About tools and technology
- About the Organization (Company Information)
- About College (UVPCE) (Refer: College Website)

PHYSICAL (LAYOUT) DETAILS

Paper size:	A4
Font:	Times New Roman
Margins:	1. For title and certificate (See attached files) 2. Rest of the pages: **Left – 1.5", Right – 1", Top – 1", Bottom – 0.5"**
Page No:	At the centre of the bottom (footer); Format: – **Page 1 of # Pages** (Start form Introduction Chapter) Use Roman number in the bottom centre of the page (Start from Abstract page to List of Tables)
Chapter Headings:	14" Bold, Upper case
Main Heading in the Chapter:	12" Bold & Title Case
Sub headings in the Chapter:	12" Bold, Title case
Sub-sub headings in the Chapter:	12" Bold & Italics, Title case
Table, Figure No's in the Chapter:	12" Italics, Title case
Remaining Content in the Chapter:	12" Normal - Times New Roman
Size of the Report:	Minimum 75 pages and Maximum 150 pages (Count pages from Abstract).

No. of hard copies: -

Individual Project = Individual copy (Student Copy-Hard binding/spiral binding) + **College copy (Must be Hard binding) = 2 Copies per Student.**

For Group Project:

Group Project Case1:

4 students in a group (one from CE, one from IT, one from CE-AI, one from CSBS)

Report Submit to Individual Department

In this case,

- CE Student use his name only in front page and use only Computer Engineering Department and add CE student certificate only. (one copy)
- IT Student use his name only in front page and use only Information Technology Department add IT student certificate only (one copy)
- CE-AI Student use his name only in front page and use only Computer Engineering-AI Department add CE-AI student certificate only (one copy)
- CSBS Student use his name only in front page and use only Computer Science and Business Systems Department add CSBS student certificate only (one copy)

Student copy:

One copy per group is minimum requirement. In this report all students name must mention on the front page with all department name and add all students certificate in it. (Hard binding /Spiral any one is accepted depend on student choice)

Department copy:

Total Copies of report: 01 (CE) + 01(IT) + 01(CE-AI) + 01(CSBS) **= 04 (Copies need to submit in the Department. (Only Hard Binding is accepted)**

Group Project Case 2:

3 students in a group (two from CE, one from IT)

In this case

- **CE Students** (two) use their name only in front page and use only Computer Engineering Department and add two CE students' certificate.
- **IT Student** (one) use his/her name only in front page and use only Information Technology Department and add one IT student certificate.

Report for Student copy:

One copy per group is minimum requirement. In this report all students name must mention on the front page with all department name and add all students certificate in it. (Hard binding /Spiral any one is accepted depend on student choice)

Total Copies of report: 01 (CE) + 01(IT) **=02 copies need to submit in the Department. (Only Hard Binding is accepted)** +student copy

Group Project Case 3:

3 students in a group (All from CE Department)

In this case

- **CE Students** (three) use their names in front page and use only Computer Engineering Department and add three CE students' certificate.

Total Copy of report: 01 (CE) **=01 copy need to submit in the Department. (Only Hard Binding is accepted) +** Student copy (Hard binding /Spiral any one is accepted depend on student choice).

Notes: -

- **Refer the college website to mention your guide's name properly in your report.**

https://uvpce.guni.ac.in/people/faculty-departments/computer-engineering/faculty

https://uvpce.guni.ac.in/people/faculty-departments/information-technology/faculty

- **Some of the topics may not be applicable to some of the projects. In that case, you can Add/ignore some content as per the requirement under the guidance of your project guides (College & Company).**
  E. g.: Android/iOS/Networks/Data mining/SEO/UI/UX/AI/ML Tools based Projects.
